| Inner parameters                | Value   |
|---------------------------------|---------|
| Compare curves                  | Checked |
| Flat assembly                   | Not     |
| Assembly without transformation | Not     |
| Compare properties of canonical | Not     |
| Simplify mesh                   | Not     |
| Compare direction               | Both    |
| Mesh density                    | Medium  |

| Computation parameter | Value   |
|-----------------------|---------|
| Tolerance             | 0.01 mm |
